

## TELEMEDICINE INSTRUCTIONS

1. Please review consent form and sign and upload to portal or fax. If you can only read it and not get signed copy to us now you can verbally consent.
2. Telemed visits are considered office visits - copays, deductibles, co-insurance apply and we cannot guarantee your insurance will cover.
3. You open web browser and enter address depending on which doctor you are seeing.

SPECIFIC ADDRESSES VARY PER DOCTOR: <https://doxy.me/drgaudet>  
<https://doxy.me/drrace>  
<https://doxy.me/drahorowitz>  
<https://doxy.me/drdimaggio>

ENTER ADDRESS IN BROWSER - DEVICE MUST HAVE CAMERA  
YOU MUST ENABLE THE CAMERA & MICROPHONE  
ENTER THE PATIENT'S NAME AND HIT CHECK IN  
YOU ARE THEN IN OUR VIRTUAL WAITING ROOM  
JUST LIKE A REGULAR VISIT - THERE MAY BE A DELAY AFTER CHECK IN UNTIL WE  
CAN GET TO THEM BUT WE WILL TRY TO BE AS TIMELY AS POSSIBLE.

IF YOU ARE NOT SIGNED IN AT APPT TIME AND NOT WAITING WHEN THE  
DOCTOR GOES TO THE VISIT - THEN IT IS CHARGED LIKE A NO-SHOW IN THE  
OFFICE.

EXAMPLES OF TELEMEDICINE VISITS \*\* some visits may require weight, pulse and  
BP obtained through pharmacy, school nurse or parent

\*MED RECHECKS

\*MENTAL HEALTH OR BEHAVIORAL ISSUES

\*DEVELOPMENTAL CONCERNS

\*POTTY TRAINING ISSUES

\*SIMPLE RASHES (no guarantee that an in person visit won't be required)

\*PINK EYE (not in babies where we need to rule out ear infection)

\*SEASONAL ALLERGIES

\*ADHD

\*ACNE

\*DIARRHEA

\*CONSTIPATION

\*TRAVEL MEDICINE

NOT ALL DOCTORS DO ALL TELEMEDICINE VISIT TYPES AND NOT ALL VISIT TYPES WILL  
BE OFFERED VIA TELEMEDICINE AFTER THE PANDEMIC IS BEHIND US
